 @ <https://github.com/krishnathapa43>  @ <https://www.linkedin.com/in/krishnabahadurthapa/>

Motivated IT student with strong technical and problem-solving skills, eager to apply knowledge in real-world projects and grow in the tech field.

EXPERIENCE

Vice President

Chaysal, Lalitpur

Himalaya IT Club at Himlaya College of Engineering

Jun, 2025 - Jul, 2025

As Vice President, I led multiple tech-focused initiatives to promote student engagement and digital innovation. My responsibilities included overseeing club operations, managing inter-departmental communication, organizing events such as CodeYatra Hackathon, UI/UX workshops, and GitHub sessions, and supporting club growth through community partnerships. I played a key role in planning and executing major technical programs, mentoring junior members, and ensuring effective teamwork to achieve club goals.

- Organized Blood Donation Event
- Organized AWS & Cloud Computing Workshop
- Organized Git and Github Session
- Organized UI/UX Session
- Organized LinkedIn Session
- CodeYatra Hackathon

Team member for HEX Genius Hackathon

Lalitpur

Himalaya College of Engineering

Jul, 2023

- Held Brainstorming Session to come up with technical solution for the themes of "smart cities".
- wrote reusable HTML, CSS components for UI elements to save time for our lead dev
- Implemented our designer's mockups

Tech Lead of CodeYatra

Chaysal, Lalitpur

CodeYatra

Feb, 2025 - Feb, 2025

Served as Tech Lead for CodeYatra 2024, leading the technical execution of a hackathon and mentoring teams on development and deployment.
